Adi Shankara
INSTITUTE OF ENGINEERING AND TECHNOLOGY

PROFILE OF THE INSTITUTE

Ideally located in an idyllic ambience, the Adi Shankara Institute of Engineering & Technology kindles vibrant memories of the serene presence of Jagadguru Adi Shankara. Affiliated to APJ Abdul Kalam Technological University, Kerala & M.G.University, Kerala and approved by AICTE. ASIET is the first self-financing technical education centre to be awarded the ISO 9001 : 2008 certification. Established in 2001 and aptly run by the Sringeri Mutt with the benign blessings of Sree Sree Bharathitheertha Mahaswamigal, ASIET boasts a state of new dimensions of spirituality and education. The Institution, established by ADI SANKARA TRUST, at Kalady with the aim of providing value added technical education with a flair of professional excellence and ethical values.

ABOUT THE DEPARTMENTS

The Department of Computer Science and Engineering offer two undergraduate programs (CSE & IT) and a postgraduate program in Computer Science and Engineering. Established in the year 2001 (being one of the earliest department under a self-financing management in Kerala) with more than a decade old history, the department is proud to be a nurturing ground for computer science professionals who are capable of taking up challenges in industry and research and development organizations.

VISION OF THE DEPARTMENT

Nurturing globally competent Computer science and Engineering graduates capable of taking challenges in the industry and Research & Development activities.

MISSION OF THE DEPARTMENT

- Imparting quality education to meet the needs of industry, and to achieve excellence in teaching and learning.
- Inculcating value-based, socially committed professionalism for development of society.
- Providing support to promote quality research.

ABOUT THE CONFERENCE

The National Conference on Recent Trends in Computing and Communications entitled NCRTCC'18 is a premier forum for the presentation of new advances and research results in the fields of Computing and Communications. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. NCRTCC is a major interdisciplinary national conference, providing a forum for researchers, engineers, practitioners and educators to meet present and discuss the most recent research results, innovations, trends, experiences and concerns in the field of Computer Science and Engineering and their related Technologies.

TARGET AUDIENCE

The Conference is open to

1. UG/PG Students
2. Research Scholars
3. Faculty Members
4. Industry Delegates

SCOPE OF THE CONFERENCE

Advanced Software Engineering	Image Processing
Computer Graphics and Multimedia	Data science
Computer Networks & Communication	Security
Artificial Intelligence	Internet of Things
Mathematical Sciences	Applied Mathamatics

IMPORTANT DATES

Full Paper Extended	~~15-01-2018~~	28-01-2018
Notification of Acceptance		01-02-2018
Last Date for Registration		10-02-2018

PAPER SUBMISSION GUIDELINES

Prospective authors are requested to submit a research paper in accordance with IEEE format with maximum of 10 pages. Email your paper and covering letter to:
ncrtcc2018@adishankara.ac.in

REGISTRATION FEE (PER PERSON)

UG/PG Students	Rs. 500
Research Scholars	Rs. 700
Faculty Members	Rs. 750
Industry Delegates	Rs. 1000

For Registration and Payment details visit

conference website: **www.ncrtcc.adishankara.ac.in**

CONFERENCE PROCEEDING

All accepted papers shall be included in the CD proceedings and published in the website for one year.

Selected papers presented in the conference will be published in the Journal of Network and Information Security (ISSN No: 2321-6859).
